

# electric & hybrid

vehicle technology international

The industry's  
leading publication  
for over  
**25**  
years

'Since advertising with Electric & Hybrid Vehicle Technology International, visitor numbers to our website have more than doubled – great job!'

Anna Balyasov, Marketing Communications Manager, VisiC Technologies

Media and Advertising Data **2022**

# Printed Media

Now published  
**THREE**  
times a year!

First published in 1995, and now sent free of charge three times a year to over 15,000\* key specifiers and decision-makers throughout the global automotive industry, Electric & Hybrid Vehicle Technology International is firmly established as the world's leading international showcase for technology and innovation in electric, hybrid and fuel-cell vehicle design, development and manufacture.

- Hard copy mailout, by name and job title, to around 10,000 key OE automotive personnel: Europe 45%, North America 35%, Asia/Pacific 15%, Rest of World 5%.
- Full-colour interactive digital version also available online at [www.electrichybridvehicletechnology.com](http://www.electrichybridvehicletechnology.com)
- Distribution is to OE vehicle design, development and production companies, relevant independent design, engineering and R&D facilities, and to principal Tier One and Tier Two suppliers.
- Additional distribution at key industry events, including Electric & Hybrid Vehicle Technology Expo, The Battery Show, EVS, eMove360°, Vehicle Electrification Expo, Advanced Automotive Battery Conference and LCV.
